

Here at NAPC we believe membership involves four specific areas of Christian life. Showing Up, Serving, Sacrificially Giving, and Sanctification. Each of the steps below connect with these four specific areas.

## STEP 1: NAPC Belief Statement

Read over the **belief statement** and prayerfully consider NAPC's mission and your calling to becoming a member of this church body.

## STEP 2: New Member Household Record

Complete the **new membership household record form** and email it to **admin@newalbanypresbyterian.org**. One record form is needed per household. Be sure to review all aspects of the form, in addition to completing the **Spiritual Gifts Test**.

## STEP 3: Personal Testimony

**Write your personal testimony** and email it to **admin@newalbanypresbyterian.org**. Why has God called you to membership at NAPC? We want to know about you and your personal spiritual walk. All results are shared with the Pastor's only. Please complete one testimony page per person.

## STEP 4: inFellowship

**Set up your profile!** inFellowship is our internal database, and need you to create your account today. Follow the steps here to know more.

## STEP 5: Give

## STEP 6: Join a Small Group

Whether you join a home group, or a men's/women's discipleship group - NAPC has many opportunities to get you plugged in. Head over to our **Adult Ministries & Groups** page to find out more. Make sure you have completed the set up of your inFellowship account (Step 4) to join a group.
