

Purpose

To equip kids to grow in their faith and share their faith with others. This program will complement the current JAM(Jesus And Me) program that focuses on Bible stories, prayer and activities in a traditional classroom setting. Equip Kids utilizes an active learning model that includes music, drama and games to help kids apply Biblical truths to their lives. Equip Kids comprises two components, Large Group Time and Breakout Sessions. All Students attend Large Group Time and then choose between two Breakout Sessions. These components are explained below:

- ➡ Large Group Time- Students discover a Bible truth through interactive drama and music experiences
- ➡ Breakout Sessions- Students choose to attend one of two sessions:
 - ★ Faith Builders – learning and applying Biblical concepts from the First Catechism
 - ★ Children’s Choir- learning to glorify God through music
